Classroom Notes

Welcome to another great week in Grade 2 at St. Patrick's Community School!

Please note that there will be no school this Tuesday August 30th and Wednesday August 31st, as these are both teacher professional development days for our division.

On Thursday, a letter will be coming home regarding our school council fundraiser. Please read through the information carefully, and participate as much as you can!

In connection with our literacy-focused fundraiser, our home reading program will also be starting this Thursday. It is critical to your child's success that they are reading every night. Please let me know if you have any questions or concerns about this program.

What are we learning this week?

Reading – We are learning strategies to help us check our understanding when we are reading!

Writing – We are working on personal narratives: Stories that are “real and true and happened to you!”

Math – We are identifying and creating growing patterns!

Science – We are comparing materials that absorb water to those that do not!

Social – We are learning about our compass directions!

Religion – We are describing the different ways that our families can help us!

Health – We are talking about how to be safe on the Internet.
